

Managing Properties

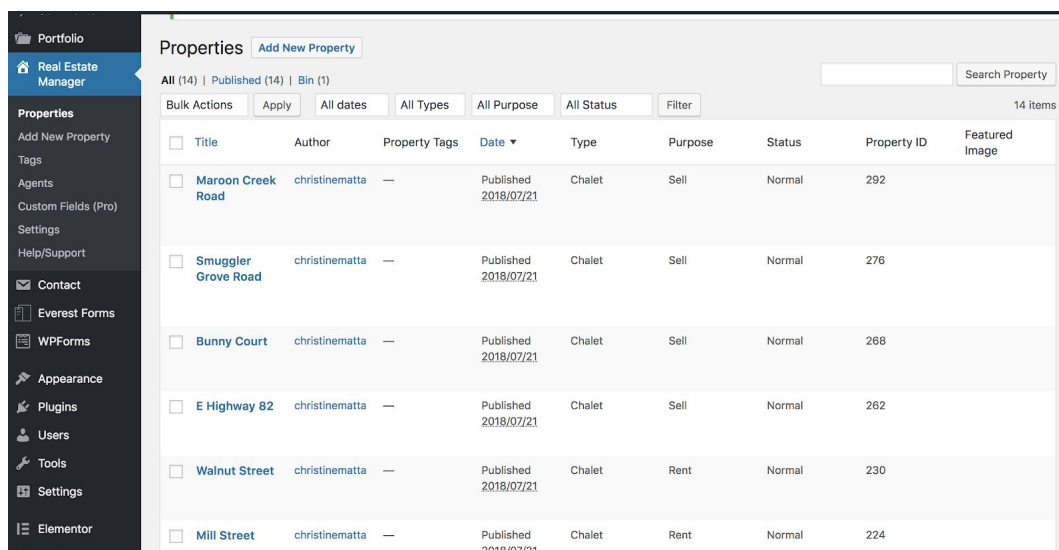

Real estate Manager plugin

You will find real estate manager as per the below

To view the properties that you have

Press Real estate manager → Properties , the properties will appear as per the below

Adding New property

To add new property press Real Estate Manager → Add new property

The screenshot shows the 'Add New Property' interface within the Real Estate Manager plugin. On the left is a dark sidebar menu with options: Dashboard, Posts, Media, Pages, Comments, Portfolio, Real Estate Manager (highlighted), Properties, Add New Property, Tags, Agents, Custom Fields (Pro), Settings, Help/Support, Contact, Everest Forms, WPForms, and Appearance. The main content area is titled 'Add New Property' and includes a 'Screen Options' dropdown. Below the title are two plugin notices: 'Flash Toolkit' and 'ThemeGrill Demo Importer'. A message from Elementor asks for plugin data collection consent, with 'Sure! I'd love to help' and 'No thanks' buttons. The central editor features a large text area, a toolbar with 'Add Media', 'Add Form', and 'Add Form' buttons, and a rich text toolbar with bold, italic, link, quote, delete, insert, image, list, code, and more options. On the right, the 'Publish' sidebar shows 'Save Draft', 'Preview', 'Status: Draft', 'Visibility: Public', and 'Publish immediately' options, along with a 'Publish' button. Below this is the 'Property Tags' section with an 'Add' button and a note to 'Separate tags with commas'.

The screenshot shows the WordPress 'Add New' post editor interface. The left sidebar contains the 'Real Estate Manager' menu with options like 'Add New Property', 'Tags', 'Agents', 'Custom Fields (Pro)', 'Settings', 'Help/Support', and 'Contact'. The main content area is titled 'Maroon Creek Road' and shows a permalink: <http://dev-luxury-mountain-view-chalets.pantheon.site.io/property/maroon-creek-road/>. The editor includes a rich text editor with various formatting options (bold, italic, link, quote, del, insert, image, link, unlink, code, more, close tags) and a 'Visual' tab. The right sidebar contains the 'Publish' section with 'Status: Published', 'Visibility: Public', and 'Published on: 21 Jul 2018 @ 11:43'. There is also a 'Property Tags' section with an 'Add' button and a 'Choose from most used tags' link.

Editing and Deleting New property

You can press Real estate manager → properties → Edit

You can press Real estate manager → properties → Bin

The screenshot shows the 'Properties' list table in the WordPress dashboard. The table has columns for 'Title', 'Author', 'Property Tags', 'Date', 'Type', 'Purpose', 'Status', 'Property ID', and 'Featured Image'. There are two rows of data: 'Maroon Creek Road' and 'Smuggler Grove Road'. The 'Maroon Creek Road' row is highlighted. The table also includes a 'Bulk Actions' dropdown and a 'Filter' button. The top of the table shows 'All (14) | Published (14) | Bin (1)' and a 'Search Property' input field.
